Honorable Joshua Eilberg, Chairman
Subcommittee on Immigration, Citizenship and
International Law
Committee on the Judiciary
House of Representatives
Washington, D. C. 20515

Dear Mr. Chairman:

This is in response to your letter of 4 November requesting any information CIA may have on the names in the list you provided of alleged Nazi war criminals currently residing in the United States.

As agreed to by Agency representatives and members of your staff when they met last week, any CIA documents surfaced will be made available at CIA Headquarters for review by appropriately cleared Subcommittee staff after information relating to intelligence sources and methods is excised. It was also agreed no documents will be taken and notes will be reviewed for proper classification. Documents originated by other agencies will not be made available but we will refer your staff to such agencies.

During the meeting with members of your staff, it was also understood that since a number of these cases are under current or possible future prosecution by the Department of Justice, we are notifying the Department of your request and will seek their guidance in providing information which we make available for review. I am sure you will agree that the review should not prejudice ongoing or possible future prosecutions.

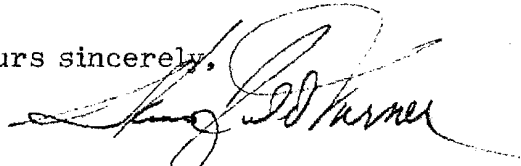

Members of my staff have met with Messrs. Dan Stanton and John Tipton from the General Accounting Office who are conducting an investigation on this same matter on behalf of the Subcommittee. We will make available to your staff the same information that is made available to GAO for review.

(EXECUTIVE SECRETARY) *Conquass*

I regret that I will not be able to meet with you personally this week, although I will be happy to get together with you at a later date. In the meantime, members of my staff will be pleased to meet with you as soon as possible to provide a briefing based on a preliminary review of Agency files containing information on the 15 cases listed in your letter.

I appreciate your deep interest in this subject matter and I want to assure you that we will cooperate to the fullest extent possible.

Yours sincerely,
